Pat,

Tomorrow's weather looks much less than optimal for a site visit. I propose cancelling our plans for tomorrow and I'll just come out with Mark and Jarrett for the public scoping meeting.

As far as rescheduling, Friday 12/21, Wednesday 12/26, or Monday 12/31 look OK weather-wise and for my schedule. Let me know if any of those work for you.

Thanks,

Robert Hingtgen, Planner III
